

## TECHNICAL DATA SHEET

PRODUCT

# NETSAN

### UNIVERSAL CLEANER

Recommended for cleaning and maintenance of all types of stone materials. Absolutely free of heavy-duty surface-coating substances, NETSAN forms a thin protective layer that brightens the colour and make easy the subsequent cleaning and maintenance procedures.

NETSAN is a maintenance product that gently cleans and protects the surfaces.

The product doesn't need rinsing and, by only one step, allows cleaning and maintenance.

When greater cleaning power is needed (high levels of soil) and where protective effect is not needed the use of **Neutrex** is suggested..

### FUNCTION

Quickly cleans and brightens surface, leaving a pleasant satiny appearance

### LINE

MAINTENANCE

### INDICATION

Routine use leaves a dirt-resistant, self-shining film that facilitates subsequent cleanings

### MATERIALS

ESPECIALLY RECOMMENDED FOR SURFACES OF NATURAL STONE, MARBLE, GRANITE, TERRACOTTA, CERAMIC TILES etc.

### HOW TO USE

Under normal conditions may be used undiluted or diluted until 10 - 20% ratio with water (1-2 liters of NETSAN in 10 liters of water). Pass mop or cotton rag moistened with pure or diluted product over surfaces to be cleaned, scrubbing vigorously on heavily soiled areas. Do not rinse. Allow to dry before walking on surface. Dry surface can be polished with a buffing machine.

As it isn't a coat-making product this procedure may be repeated periodically.

### COMPOSITION

Contains anionic surfactants, soaps, binding oils, viscous and anti-foam agents.

### TECHNICAL INFORMATION

Consumption varies according to the kind of surface/floor and the desired level of brightness.

### NOTE

The product is not a heavy-duty surface-coating substance, and does not have any contraindication. Can be applied on any kind of surface. For best results, routine use is recommended.

### IMPORTANT

After drying, cleaning and brightening effects may be enhanced by rubbing with a cotton rag mop, or better, with a buffing machine fitted with a soft felt pad.

This product respects the environment, is ecologically sound and leaves a pleasant floral aroma. Recommended for use in private and public buildings such as restaurants, hotels and other common areas.

### PACKAGING

1 L.

### LIMITATION OF LIABILITY

The data provided derive from published information or from our own laboratory tests. The information provided here should be considered as a guideline and not as any form of performance guarantee. Since the application of the product is beyond the control of the manufacturer or supplier, our liability for defective products, when verified, is limited to refund of the purchase price.

**A PRELIMINARY TEST IN A SMALL, HIDDEN, AREA IS RECOMMENDED BEFORE THE APPLICATION**
